IGES IS THE INDUSTRY'S FAVORITE RESORT AND SOUVENIR GIFT SHOW

The largest gathering of wholesale resort and souvenir gift vendors in America.

The largest selection of namedrop apparel, specialty, and customizable items in the country.

A highly-rated show in exhibitor and buyer satisfaction, creating a productive and profitable atmosphere.

Extend your trip to enjoy the Smoky Mountains, family adventures, and great local shows, events and restaurants.

EXHIBITOR TESTIMONIAL

IGES is the one place in the USA where retailers who sell souvenirs can come and work with the top souvenir suppliers in the nation. Coming to the Smoky Mtns in early November allows tourism & souvenir business owners and managers to soak in the beauty of the mountains while getting their buying done for the next season in a peaceful, relaxing and laid back atmosphere. Networking with other business owners and managers at networking dinners stimulates new ideas to bring home and implement at their own attractions.

*-Rick Conway,
Squire Boone Village*

ATTENDEE TESTIMONIAL

Over the years, we've been able to grow relationships with many of our vendors here. It is great to see the same faces year after year. IGES also gives us the opportunity to source new items and find new suppliers to work with. Overall, it is a must do event for our business.

*- Jennifer Brumbaugh,
Lincoln Caverns*

EXHIBITOR TESTIMONIAL

The show site, exhibitor portal, and staff are easy to work with, friendly and efficient. The buyers were friendly, focused yet open to new ideas and most importantly they came to buy.

- Allison Trumbull,
Annabelle Noel Designs

ATTENDEE TESTIMONIAL

As a first time attendee and new-comer to the retail world, IGES was a valuable tool to help find new products, vendors, and networking opportunities.

- Sarah Parker,
Smoky Mountain Creations & Souvenirs Inc

ATTENDEE TESTIMONIAL

IGES allows our state park staff to source new products that meet our retail mission, keep abreast of current and future trends in the retail industry, see what is hot for the coming year, and network with buyers and vendors. We can also network with our current vendors and place orders while attending the show. Truly an all in one event!

- Ann Henderson
Virginia State Parks

EXHIBITOR TESTIMONIAL

The IGES team was very supportive as we were a first time exhibitor. We had a great time and we are booked for next year. The new accounts we added we never would have met or thought to contact. IGES exposed our company to a whole new market!

- Peter Vetri
Atlantis Toy and Hobby
