they plan to
return next year!

IGES IS THE INDUSTRY'S FAVORITE RESORT AND SOUVENIR GIFT SHOW

The largest gathering of wholesale resort and souvenir gift vendors in America.

A highly-rated show in exhibitor and buyer satisfaction, creating a productive and profitable atmosphere.

The largest selection of name-drop apparel, specialty, and customizable items in the country.

Extend your trip to enjoy the Smoky Mountains, family adventures, and great local shows, events and restaurants.

*"The Souvenir Industry owes you guys a big thank you for providing **the best souvenir and resort merchandise trade show in the world**. There is no other souvenir wholesale trade show that comes close to providing buyers with such a large number and variety of quality souvenir wholesale exhibitors and doing it with such tremendous hospitality. You roll out the red carpet for buyers and treat them like royalty. The buyer networking dinners you host provide buyers in specific souvenir market niches a chance to meet and network with their peers. Your trade show is managed and run as if it were owned by the souvenir industry with the sole purpose of benefiting the buyers and vendors that are in the business of selling souvenirs. **IGES is our number one show** and we exhibit at over 50 trade shows a year. My recommendation to any business selling souvenirs is to **not ever miss IGES.**"*

- Rick Conway, Squire Boone Village

*"**IGES is in a word . . . OUTSTANDING!** We had more fun and wrote a ton of business – another record show! Great venue, first rate mix of exhibitors and quality buyers focused on the tourist/destination market – the perfect mix for a great show."*

-Andy & Ian Storrs, A.T. Storrs

SHOW HIGHLIGHTS

Buyers Dinners

One of the many perks of attending IGES is our specialized buyer dinners. Buyers enjoyed an evening of dinner, cocktails, and conversation with industry peers from across the nation, compliments of IGES exhibitor sponsors. These dinners provided an opportunity for buyers to relax and share ideas during round-table discussions with other buyers in their respective industries.

Moonshine Mingle Happy Hour on Show Floor

Buyers and exhibitors in Sevierville enjoyed moonshine drinks while shopping and networking with their key partners and friends.

Buyer Bucks Reward Program

IGES continued the Buyer Bucks Rewards Program where buyers earned cash back when shopping with participating Sevierville exhibitors. We saw record participation; more buyers were paid to shop and participating exhibitors exceeded their expected orders!

20th Anniversary Hoedown

IGES and the City of Sevierville partnered to celebrate the 20th year of the IGES show. Exhibitors and Attendees experienced an unforgettable night of live music, local food and beverages, giveaways and entertainment! This event also launched the inaugural "Souvy" award. Susan Mills, one of the founders of IGES, was given the award for her contribution to the Souvenir and Gift Industry.

Conservation Commerce Tours

ZAG board members at IGES offered buyers guided tours of IGES vendors on the show floor whose products carry a positive impact on our planet. The tours provided buyers an opportunity to learn more about conservation and finding new vendors that hold the same passion for helping the earth.

Cash & Carry Pavilion

IGES provided a dedicated jewelry/cash & carry area in Sevierville for buyers looking to place wholesale orders for their business as well as make personal purchases.

Made in America / Handmade Pavilion

With the growing demand for American made and handmade products, IGES proudly showcased over 80 companies across the United States that specialize in producing unique, handmade and artisan-focused products to attract specialty buyers.

Sponsored Giveaways and Daily Drawings

The first 200 registered buyers to pick-up their badge received a goodie bag filled with product samples from IGES vendors. Free to participate, this was a great way for vendors to advertise their latest products and draw additional buyers to their booth. In addition, IGES brought excitement to both Sevierville and Pigeon Forge with daily 'Walk with Bigfoot' giveaways, twice daily 'Cash Grabs', a one-time Sponsored gift card giveaway, and a door prize for the 20th Anniversary Hoedown.
